NSW State Directors Report:

Had great pleasure in awarding John Athans (Early Ford Hot Rod Club) his Legends Award at their club meeting.

Sydney Hot Rod show will be same arrangements as last year with a combined stand with NSW SRC.

Leigh Anderson VP Drag-ens and Gary working through the process to get zoom up and running, trial run with few regional clubs for May DC meeting.

NCC phone hookup was long and robust.

Gary advised that he was looking to re-establish a register to be setup to record monies raised at events for charities – the club, the recipient, the date/s and the amount (and even better email addresses).

Event Reports:

Reflections – refer attached, Gary read out to meeting \$4500 raised for a local charity.

Drag Safari – Darren spoke about the event, 12 / 13 entrants, travelled to Mudgee, next day Airfield, then Gunnedah which unfortunately was rained out and finally Sydney Dragway.

A great event overall with everyone enjoying themselves. Put it on your bucket list.

General Business:

1. Gary advised someone has complained about the format of NSW DC meetings (no names or specific concerns are provided). If you have any questions please contact Gary.
2. Highland Cruisers advised an email sent to head office asking for bank details to pay club fees on the previous Monday but as at Friday night no response.
3. Frank from Liberty Rodders showed the shield and spoke about the perpetual trophy that had been purchased for the Warren Gore bequeathment for the next 15 years and will be awarded at a Hunter Valley car event eg Hunter Steamfest with the winner based on Best pre 1966 ASRF car getting their own trophy. Be aware that the money that was left to the NSW Divisional Council will be withdrawn and placed into a separate bank account – with 4 signatures. How this will be documented will be supplied shortly.

The monies will be held in a bank account with 4 signatures between Liberty Rodders and NSW SRC with audit details being setup and available.
