**NSW State Directors Report:**

1.	Thank you for taking time to make yourself available tonight, and for this year.
2	Legends – slowly catching up on words and photos on the website, one of the nicer aspects of the job.
3	Bank Account – suggestion from Denis that we investigate a better interest rate for our accounts. – still a work in progress.
4.	Regional Nationals – currently the next Nationals will be a regional one (Canberra), before 2027 – Tasmania – then 2028 which is available – with Queensland indicating that they would like to do something in 2029. After that, there is 2030 (Regional) and then 2031. Still to hear if South Australia has any interest in hosting 2028 or 2030.
5.	<p>Currently we do not have a list of financial clubs and members so until a list can be supplied we will continue to recognise everyone under their current arrangements – unless the club in question volunteers to confirm their arrangements with Secretary Denis.</p> <p>Zoom, have been spending quality time at Officeworks and Telstra acquiring laptop, camera, microphone, computer hub and dongle. We can host up to 100 attendees.</p>
6.	<p>NCC phone hookup - Troy Fewings has been invited and will update in his report.</p> <p>I know that there are a couple of sites that have sprung up on Facebook following on from the unsigned letter from the Board of Directors. Under the current circumstances that New South Wales finds itself in, understand that there will be no comments made.</p> <p>Please also be aware that this issue is a debate, primarily around ideas so name calling or use of derogatory terms will not be tolerated in this meeting/forum – and I would suggest external to this meeting. We are not doing ourselves (and our position in the debate about ideas) any favours if we resort to name calling.</p> <p>Voting tonight for Director and Treasurer</p>

7.	Bequeathment re \$10k is nearly finalised with paperwork prepared and sent to Liberty Rodders.
8.	Life is short – so make sure that you get to spend every time in the ride of your choice – complete with either your favourite passenger/s and or travelling partners.  See you on the street.

### **Deputy State Directors Report**

As our NSW State Representative in the NCC meetings Troy gave an overview on his role. Troy has been invited to 3 NCC meetings now which are held every Monday night at this stage and go for approximately an hour each time.

Being a state rep, Troy cannot vote on any company issues but advised a lot is going on including Neil from Queensland is invited as state rep also, but WA Mick has still not got an invite to the NCC meetings.

**Event Reports:** nil to report with June the quietest month for events.

### **General Business:**

1. Gary read out the letter from WA that was sent to NCC, suggested a letter supporting WA be sent to NCC, moved by Rickshaws.  
Seconded by Old Time vote taken and all in favour.
2. Gary handed over meeting to Troy to allow for voting on Director and Treasurer roles for next 2 years. Gary indicated he is available to stand for these roles again.  
Bill Relf (Rickshaws) nominated Gary Stanley for the roles again and seconded by Peter Czerny (Highland Cruisers)  
Vote taken, all in favour, unanimous decision
