Deputy Director - NSW DEPUTY DIRECTOR / NCC REP Report July 2026

First off sorry for not being able to attend tonight's meeting.

Unfortunately I am travelling to Victoria to pickup a couple of 1926 Ford T Coupe bodies with my twin Boys.

I am happy to continue in my current role as Deputy Director/ NCC REP.

New financial year has just commenced the NCC and Head office are currently busy finalising last years financial figures. The 2025 FY audit is now complete and these figures will be available shortly. The NCC AGM is planned for 28th October this year and it is anticipated that the financial statements will be complete by then for the 2026 FY.

Insurance Certificate of Currency is due to expire in August this year. Head office is working on having the new Policy in place for a smooth changeover to the new policy. Any clubs requiring a copy of the new Certificate of Currency could you please email a request to

directornsw@asrf.org.au so we can get this done asap in time for your sanctioned events.

Street Rodders News new issue is currently at the Printers and will be sent to members shortly. Again I am requesting clubs or members to submit stories and photos that they feel other rodders will enjoy reading for inclusion in future issues.

2027 Australian Street Rod Nationals – Entries are now open. The event is planned for Ulverstone and will be on from 18th March to 22nd March. At this point in time NSW is leading the entrant numbers.

NCC Meeting is planned for Perth next weekend and will be a meet and greet with WA ASRF members who may be interested in helping establish a WA ASRF Divisional Council setup the same way as the other states.

AGM good luck to all those putting their hands up for a position.

Thanks to Denis Debenham for your service over the last few years in carrying out the secretary's role well done and thank you.
