New South Wales Divisional Council Meeting – Friday October 9, 2026.

- **For Discussion at your Club:** Reduced Meeting Calendar – suggestion to forgo a November meeting and have a December meeting – so we could all catch up for Christmas.

Meeting was opened by NSW Director Gary Stanley at 8:00 pm.

Delegates in Attendance:

Rattlers, Romans, Early Ford, Early Edition, Regency Ramblers, Cars without Limits, NSW Historic Rego, Bay Area, Jokers Wild, Highland Cruisers, Odd Rods

– NSW Street Rod Committee, Albury Street Rodders, Central Coast Rodders, Howlers, Maitland, Tweed Area, Borderline, Paul Simpson, Glen Nugent, David Clift.

Apologies:

Bent 8's. Easy Street.

Visitors:

Chris Fokker, Ken Hiatt, Bill Relf.

The draft minutes of the September meeting were read and accepted: Early Editions/Early Ford.

News: Mike Parker – former President and active member of Mid North Coast Street Rodders died. Gary read out a tribute about Mike by Andy Douglas.

Treasurer's Report:

Total – three accounts \$52,010.56, which includes \$37.00 interest.

NSW Street Rod Committee Report:

A timely reminder to all rodders with Street Rod plates – you are required to maintain your car in the same manner as it was registered. If the car was registered with mud guards, then the mud guards always remain on the car. Failure to comply will result in the number plates being removed from the vehicle in question – no ifs or buts.

Apart from that – all's good.

NSW Deputy Directors Report:

- The NCC (National Control Council meeting) is coming up soon. Troy will attend representing NSW.
- Invites are being circulated for the Financial Presentation, via Zoom.
- The next Street Rodder News is on its way.
- Troy had the honour to present a Legends Plaque to Jan and Bert Weingott at Valla – which was both a surprise and well received by all.

ACMC Report:

- Gary Warnes death has impacted on the production of some reports.
- 239 registered – all OK.
- ACMC – parent company annual report has not been published.

- Committee members have been working on sorting out little problems with the RMS.
- Vehicle Standards VSB 14 still has not advanced. Committee happy to go that way, as the alternative includes standards for E-Bikes, along Child restraint compliance issues.

NSW Historic Rego:

- Chris reminded delegates that a Pink Slip is required for Historic.
- Chris is looking after some administrative tasks – such as getting a debit card from the bank (so that they could pay small expenses easier).

NSW Directors Report.

- Thanked all delegates, both in the room and online for making time to attend the meeting.
- Reminded all that the meeting was an exchange of ideas, and name calling would not be tolerated.
- Gary thanked Brett White (Romans) for stepping in to monitor the online members.
- Spoke about how the new venue for the VHRA show went in Melbourne. (It looks promising, although not as easy to get to as the Exhibition Buildings in Carlton Gardens, or the Showgrounds.

Events:

Romans Kiama Run: 230 + entrants enjoyed spectacular spring weather in a spectacular location at Kiama. Unfortunately, they had to turn some people away, as the grounds were full.

A cruise on the Sunday morning from Heathcote to Kiama exceeded expectations with a lot of rodders arriving to join the group. A job well done.

Temora: 48 Entrants turned up to be enjoy the Riverina town. There was some rain on the Thursday/Friday but apart from that great weather. The mystery tour ended up in June. The numbers were down a little, but everyone had a great time.

Valla: 308 registered entrants were there for the 48th Vall Rod Run. From a Show and Shine in Nambucca Heads, an Observation run to Bowraville, driving events, a petting zoo for the kids, Cruising the Caravan Park – and 295 cars in Nambucca Heads' main street. Rookie cars were between 40 – 50 cars. As per usual, money was raised over the week for various local charities.

There was one rain day, but some wind over the week – other than that – all was good.

Cars without Limits: Prospect Reservoir – fantastic weather and turnout. Organisers stopped counting after 500 cars. Very happy with the result.

Cars without Limits: Seven Hills – 100 – 120 cars turned up for Coffee and Cars. Only downside for the day, was the weather was ordinary.

Woolgoolga Rod Run: 50 – 60 cars turned up, and were thoroughly spoilt. Chris Jenkins commented on how well that the club worked together over the weekend. Chris's other highlight (apart from being well fed) was the opening of the Raymond Terrace by pass.

Odd Rods: Wairo Beach – Troy reported numbers were down to 30 entrants. He commented that this seemed to work well for the venue. Top weather.

Maitland: Celebrating 50 + 1 Birthday – was well received by all. Noel commented on the giveaways over the weekend and was proud of how the local businesses had supported the event.

Will there be a Maitland 50 + 2 Run; it's under consideration.

Sanctions:

Idlewild: S26/43 Memorial Day

Old Time S26/44 Show and Shine.

General Business:

- Re: Reduced Meeting Calendar – suggestion to forgo a November meeting and have a December meeting – so we could all catch up for Christmas.

Next meeting: November 6, 2026 – Drag-ens Club Rooms.
--

Meeting closed 8:40 pm.
